

STEWARDSHIP WITH EASE

Madison Avenue Christian Church now offers a way to donate to MACC automatically, directly from your bank account. It is very easy to do, and can help you keep up with your contributions even if you have to miss a Sunday.

All you have to do is decide how much, and how frequently you want the donation withdrawn from your account. MACC takes care of the rest. As a general rule, a weekly contribution would be sent to MACC from your account on a Monday or Tuesday. If you prefer monthly, the contribution would typically be sent to MACC from your account the first calendar week of each month, most likely also on a Monday or Tuesday.

To enroll, just provide the below information, so that the electronic connections can be made. You will also need to attach to this form a voided check, so that we can get the correct checking account number, as well as bank routing information.

Thanks for supporting all of God's work done through Madison Avenue Christian Church!
